

**Rome First United Methodist
Church
Photography Consent Form**

Rome First United Methodist Church recognizes the need to ensure the welfare and safety of all young people taking part in any activity associated with our organization.

In accordance with our Safe Sanctuary policy, we will not permit photographs, video or other images of young people to be taken without the consent of the parents/guardians of child. As your child will be taking part in a Rome First UMC event or activity, we would like to ask for your consent to take photographs/videos of the event or activity that may contain images of your child. It is likely that these images may be used as

- a record of the activity or the event
- in a written evaluation report of the activity or event that will be viewed by Rome First United Methodist Church
- publicity material for further activities or events on leaflets/websites/magazines
- illustrations of the activities or events in published articles
- future grant applications

Rome First United Methodist Church will take all steps to ensure these images are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately you should inform Rome First United Methodist Church immediately.

We would be grateful if you would return this form to Cathy Aiken-Freeman, Director of Children's Ministry at Rome First UMC prior to or on the day of event or activity your child is participating in.
